Dear Customer:

As you may be aware, EC Communications, Inc. ("ECC") has recently signed an agreement with Guam Telecom, LLC ("GTL"), a sister company to Marianas CableVision, pursuant to which GTL will purchase certain of ECC's assets. As a current customer of ECC, your account will be included in this transaction. GTL is very committed to ensuring that you continue to receive the excellent services that you have come to expect from ECC.

ECC's direct-dial long distance customers will be transferred to GTL 30 days after the date of this letter. At that time, GTL will begin providing the service you now receive from ECC, without interruption. GTL has no plans to change the rates, terms and conditions of the services currently provided to you. No charges or fees will be imposed as a result of this transaction. However, you are entirely free to choose another carrier to supply the services currently provided by ECC. No action is required if you wish to continue with GTL as your telecommunications provider.

Please note that all customers of ECC, even those who have arranged preferred carrier freezes through their local service provider, will be transferred to GTL. The preferred carrier freezes will be lifted, and any customer wishing to reinstate a preferred carrier freeze must contact their local service provider to arrange a new freeze.

ECC will continue to handle any consumer inquiries or complaints that arise on or before the turnover to GTL. Please direct your inquiries to GTL at (671) 635-4628 X4214.

Thank you for your attention to this matter. We look forward to your continued business.

Sincerely,

Steve Coleman
Authorized Representative / GTL
